

Boathouse Beach Café Supervisor at Trebah Garden

An exciting opportunity for a motivated and enthusiastic individual to help run Trebah Garden's Boathouse Beach Café. Situated on the idyllic private beach at the bottom of this renowned and historic sub-tropical garden, the Boathouse offers a range of hot and cold drinks, snacks, and ice cream to Garden visitors from mid-March to October

The beach itself looks out onto the Helford river and the café is a former boathouse, built by former-garden owner Donald Healey, in 1963. It is an important part of Trebah Garden and sees a lot of customers during the spring and summer seasons. Although it can be very busy, it is a beautiful place to work.
