

## GIFT AID DECLARATION

If you are a UK tax payer, the Government's Gift Aid Scheme means we can reclaim the tax you have already paid on your donation. This means that your donation can increase in value by nearly one third, at no extra cost to you.

Please sign below if you would like us to reclaim tax on your donation. You need to have paid an amount of income tax at least equal to the amount of tax we claim back. Please remember to inform us of any changes to your name, address or tax status, or if you wish to cancel this declaration.

Please treat all donations made by me in the last six years and from the date of this declaration as Gift Aid donations.

TREBAH GARDEN TRUST IS AN INDEPENDENT REGISTERED CHARITY. OUR MAIN OBJECTIVE IS TO PRESERVE, ENHANCE AND RECREATE THE GARDENS OF TREBAH FOR THE EDUCATION AND ENJOYMENT OF THE PUBLIC.

The Trust was formed in 1990 and from this date took responsibility for the running of the garden and its estate.

Trebah Garden Trust runs a membership programme. Membership benefits include free entry to the garden, a 10% discount in the shops and café and seasonal partnership promotions. Ask at the entrance desk for details and an application form.

*We value your support.*

There are a number of ways in which you can help secure Trebah's future.

### LEGACIES

Gifts left in Wills help us to plan for the future, ensuring that important programmes and improvements, including additional new planting throughout the garden, continue to make a real difference.

### ADOPT-A-TREE

This scheme has been running successfully for five years and we are very grateful to all of our donors for this incredibly important contribution in sustaining the future for Trebah.

Adopting a tree can be to commemorate a loved one or to celebrate an event, such as the birth of a grandchild.

A member of Trebah's garden team, will help you choose from a specially created list; a tree that has meaning and significance.

### DONATIONS

The Trust relies on generous donations from visitors and members. Donations will be used to help develop and maintain the garden.
